

The 19th 2020 Busan International Art Fair

BIAF2020

It is a 'new type of big open art market' where artist and art lover can have a direct transaction for artworks at reasonable prices.

When the art market, the foundation of art development, is activated, the base of our country's art will be expanded and the artist's creation will be active. In the meantime, we pursue going beyond just an art exhibition and contribute to 'a world, living all together'. We welcome the talented artists to the Busan International Art Fair, 'the wave of colors' and 'the sea of art', where you can see the present and the future of modern art.

Host/Managed by : K-Art International Exchange Association

Exhibition Period : (Thur.) Dec. 3 - (Mon) Dec. 7, 2020 [5days]

Exhibition Venue : BEXCO Exhibition Center II, Busan
